Does your family belong to a trip across the Pacific or around the world? Are you ready to dance along with a k-Pop version of the most popular Korean Shilla, step into Hawaiian history to Tasmania and Japan or journey to the center of a rainbow?

Theatre can be the ultimate travel experience for your family! Like travel, the empathy, curiosity and learning across cultures shapes the kind of people we become. It shapes the kinds of families we are today. Why not push you and your imagination and take a journey with us on our 2019-2020 season.

Please consider seasons tickets for the coming year (more times and days can have a new SUNDAY option) than ever before. A season ticket includes flexible seating choices, free parking, but most importantly makes your season easier to fill with laughter, music, stories and meaningful time together.

Together, we can take your family on an extraordinary journey!
