

Story Review: Adventure Map

Guide students to create a map that shows each place where Pinocchio experienced his adventures throughout the story.

The book [The Once Upon a Time Map Book](#) by B.G. Hennessy and Peter Joyce is a wonderful example of how to create maps of fantasy literary lands.

- Where is Gepetto's house?
- Where might Pinocchio meet the Fox and Cat?
- Where is the Marionette Theatre?
- Where might the whale be?
